Re: Freedom of Information Act Request

This is a request for records under the Freedom of Information Act. On March 28, 2017, President Donald Trump signed the Energy Independence Executive Order which instructs the Environmental Protection Agency to review the Clean Power Plan. Please limit your search to EPA employees in the Office of the Administrator, Office of Air and Radiation, and Office of Enforcement and Compliance Assurance from January 12, 2017 to the date this request is marked received by the EPA's Freedom of Information Act Office.

The search terms for this request are: Clean Power Plan (CPP), Clean Air Act, 111(d), coal, regulatory overreach, existing source, endangerment finding, National Environmental Policy Act (NEPA), social cost of carbon, 111(b), coal moratorium, coal mining leases, OMB Circular A-4, Paris Agreement, Intended Nationally Determined Contributions, Convention on Climate Change, Administrator Procedure Act, burden, adaptation, climate action plan, mitigation, Ebell, Myron, gas, Section 202, Prevention of Significant Deterioration (PSD), Title V, Tailoring Rule, and Utility Air Regulatory Group.

Please limit your search to EPA employees in the Office of the Administrator, Office of Air and Radiation, Office of Enforcement and Compliance Assurance, Office of Congressional and Intergovernmental Relations, Office of Public Affairs, Office of Public Engagement And Environmental Education, and Office of General Counsel, Office of the Inspector General, and Office of Environmental Information from January 12, 2017 to the date this request is marked received by the EPA's Freedom of Information Act Office.

Due to the time-sensitive nature of this request, I will hold the Environmental Protection Agency to a strict 20-day deadline for an initial response and expect the agency to provide written notice of its intention to take any extension to respond.

Please provide the specific FOIA exemption used to justify any redaction and an index of any documents withheld either in part or in its entirety as part of the agency's response.

I prefer to receive records in electronic format, and I am a commercial requestor for fees. Please inform me if the cost of searching or copying these records will exceed \$200.
